Exhibit Ideas

- Create a poster showing the parts of all the different firearms used in your shooting sports club.
- Prepare an exhibit showcasing the history of your region, including the firearms used throughout specific time periods.
- Develop a display showcasing the role ethical hunting plays in the conservation of Kentucky’s wildlife and natural resources.
- Create an interactive display to present to younger 4-Hers on how physics plays a critical role in each shooting sports discipline.
- Compare the range and shot patterns from different firearms and explain how this plays a role in marksmanship and accuracy.
